Thank you for your consideration. We know that you have many options for eye care. A comprehensive annual eye exam with our iHealth Wellness Exam is your best first step to maintain healthy, clear, comfortable, balanced vision for a lifetime. iHealth Wellness Exams are coded with a -52 modifier signifying that it's performed at a reduced rate during a comprehensive eye exam when age appropriate. As an eye doctor, I'm passionate about protecting and improving vision in every way possible: **1) Wellness Vision Care**, **2) Medical Eye Care**, **3) Ocular Nutrition** and/or **4) Vision Training**. At 4Sight iCare, we have carefully developed the systems, equipment, and programs that collectively serve our mission to help you **SEE YOUR BEST!**

Sincerely yours,
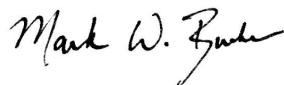

Dr. Mark W. Burke
